COMPRESSED AIR-WATER-DRAIN-NATURAL GAS SERVICE ORDER FORM

IMPORTANT CONDITIONS & REGULATIONS

1. **TO QUALIFY FOR 15% DISCOUNT-Submit orders with payment online 21 calendar days prior to the FIRST OPEN SHOW DATE.**
2. Notification of cancellations **must be received in writing** a minimum of fourteen (14) calendar days prior to scheduled show opening date.
3. **PAYMENT IN FULL** is due at time services are ordered.
4. **Credit will not be given for plumbing service installed and not used.**
5. Any complaint or claim must be brought to the Service Desk prior to the end of the event. The exhibitor shall maintain insurance as necessary to protect against loss or damage to equipment and property in accordance with Georgia World Congress Center/Georgia Dome license agreement.
6. All material and equipment furnished by Georgia World Congress Center/Georgia Dome for this service order shall remain the property of the Congress Center and Dome and shall be removed **ONLY** by house technicians at the close of show.
7. Unless otherwise directed, Georgia World Congress Center/Georgia Dome plumbers are authorized to cut floor coverings to permit installation of services.
8. All equipment to be connected by Georgia World Congress Center/Georgia Dome must comply with NEC, federal, state and local codes.
9. Prices are based upon current wage rates and are subject to change without notice.
10. **Under no circumstances shall anyone other than a "house plumber" make plumbing connections.** However; company engineers and technicians who are required to **assemble, diagnose, wire and service** equipment may be allowed to execute work subject to approval of Georgia World Congress Center or Georgia Dome Engineering Department.
11. Wall outlets, columns and permanent building outlets are **not** to be obstructed at any time.
12. Georgia World Congress Center and Georgia Dome recommend that exhibitors provide a filter-separator for all equipment requiring air connections. Congress Center/Dome will not be responsible for moisture or water in air lines.
13. If air, water, and natural gas pressure are critical, Georgia World Congress Center/Georgia Dome recommend that exhibitors arrange to have a pressure regulator valve installed. **No guarantee can be made of minimum and maximum pressure.**
14. All equipment using water must have the inlet and outlet properly tagged.
15. The service fee will be based on the combined rated capacity of connected equipment.

Questions regarding service should be directed to:
